ANNUAL REPORT

PRESIDENT'S REPORT

THE FOUNDATION continues to be a healthy and vibrant organization. Thanks to the loyalty of our supporters, the Alpha Kappa Psi Foundation continues to provide critical funding for educational and scholarship opportunities. Your support of the Foundation, both financially and philosophically, certainly helps this great Fraternity make strides forward.

For the second straight year, the Foundation raised more than \$100,000 in contributions. It recognized outstanding campus and community leaders through its Academic Team, distributed academic scholarships, and provided fellowships for students attending the Foundation's first-ever Academy—a comprehensive leadership development conference. Additionally, the Foundation completed its first year of managing the alumni chapters and publishing *The Diary of Alpha Kappa Psi*.

On the following pages you will see how your support has helped the Foundation fund vital scholarship and leadership opportunities. You will also see the names of more than 1,000 alumni and friends who have joined you in supporting the Foundation. Hundreds of those

—including many students, recent graduates and friends—made their gifts for the very first time.

Our mission remains “providing resources for enhancing the educational experience of future business leaders.” I thank all our loyal donors for helping us continue to perform this mission and for directly affecting the lives of the young men and women of Alpha Kappa Psi. I also thank the Fraternity Board of Directors for its support and assistance. The outstanding working and fraternal relationship between the Foundation and Fraternity

Boards certainly has been an important reason for the Foundation's ongoing success.

P.S.: With this report there is an enclosed gift envelope. I hope you will make a gift today and gain a place in next year's 2002 Annual Report. Our future business leaders are counting on you!

# giving by club level

This 2000-01 Annual Report includes the names of donors who contributed to the Alpha Kappa Psi Foundation between July 1, 2000 and June 30, 2001 (the Foundation's fiscal year). The compilation of this list is a complex task and every effort has been made by the Foundation staff to provide complete and accurate information. If your name has been omitted or listed incorrectly, please contact the Foundation at hqmail@akpsi.com, or (317) 872-1553, so we may adjust our records.

**THIS FIRST-RATE**, all expenses paid leadership development conference was held June 23-26, in Morgantown, Indiana. It is among the finest learning opportunities offered to the membership of Alpha Kappa Psi—or that of any fraternity. Completely funded by the Alpha Kappa Psi Foundation, the four-

Seventeen students participated in the three-day Academy. All expenses—including transportation, meals, lodging, and materials—were provided by the Foundation.

day conference is based on the contemporary concepts contained in the business best seller *The Leadership Challenge*. The Academy focuses on the practices and commitments of exemplary leaders and what constituents expect from them. A limited enrollment and a private campground location ensure that the experience is highly personal. Interactive large group sessions are complemented by small group discussions led by AKPsi facilitators and successful business leaders.

**2001 ACADEMY FELLOWS** The Foundation's Academy is the single largest scholarship program ever established by the Foundation. Because of the costs associated with the program, the Foundation relied on two sources of income to fund these fellowships: interest income from existing scholarship endowments, and one-time cash gifts received this fiscal year from loyal alumni and friends.

**KENNETH W. HUFFORD FELLOW** Louis R. Barkman, *Michigan State '98*: The Foundation's generous bequest last year from the estate of Kenneth W. Hufford, *Montana State '33-Life*, provides educational opportunities specifically for students majoring in accounting. **WILLIAM D. REEVES FELLOW** Michael Spetko, *Georgia State '00*: Named for Past Foundation President and Past National Vice President William D. Reeves, *Georgia State '59-Life*, this scholarship was funded by friends and family members of the Gold DSA recipient, in recognition of his years

of leadership and dedication to both the Fraternity and Foundation. **ANDREW P. DULI FELLOW** Brian Hickey, *Adrian College '99*: Named for the late Past Foundation President Andrew P. Duli, *Pittsburgh '50-Life*, this scholarship was funded by friends and family members of Andy, in recognition of his years of leadership and dedication to the Foundation. **THEODORE G. EHRSAM FELLOW** Melissa Helfrich, *Niagara '99*: New York University professor emeritus, Dr. Theodore G. Ehrsam, *NYU '53-Life*, is a Past President of the Foundation. He is a recipient of the Gold Distinguished Service Award and is presently editing the eighth edition of *The Handbook of Alpha Kappa Psi*. **R.K. LEE FELLOW** Lesley M. Jones, *Puget Sound '99*: R.K. Lee, *Washington '67-Life*, is the Foundation's Vice President, having previously served on the Fraternity's Board of Directors. As one of the Academy's main proponents, he was instrumental in making this year's Academy possible. **FLORIDA GOLD COAST**

**ALUMNI CHAPTER FELLOW** Mariseli Vega, *Miami '99*: The Florida Gold Coast Alumni Chapter generously chose to completely fund one Academy Fellow from the Southeast Region, with preference given to a student in Florida. **NATIONAL MANAGEMENT TEAM FELLOW** Brogan Baxter, *Southern Indiana '99*: This fellowship was completely funded through the generosity of members of the National Management Team, which includes the National President and Vice Presidents, and all regional directors. **FOUNDATION BOARD OF DIRECTORS FELLOW** Ty Wesley Cobb, *University of Texas '00*: This fellowship was completely funded through the generosity of members of the Foundation Board of Directors. **FRATERNITY BOARD OF DIRECTORS FELLOW** Rahul Doshi, *Cal Poly - San Luis Obispo '00*: This fellowship was completely funded through the generosity of members of the Fraternity Board of Directors. **DAVENPORT-WENDROFF-REGIS FELLOW** Siri Rochelle

Heese, *Creighton '99*: This fellowship was completely funded through the generosity of Past National President Robert A. Davenport, *Old Dominion '86-Life*; Past Fraternity Chairman David P. Wendroff, *Portland '79-Life*; and Foundation President Todd J. Regis, *Western Michigan '86-Life*. **FOUNDERS FELLOWSHIPS** The following fellowships were named for seven of the Fraternity's ten founders. As the Foundation grows, it plans to fund scholarships named for each of the ten men who established the vision and direction that created our proud association. Nathan Lane Jr. Fellow, *Debbie Hsu, California - Irvine '99*; Howard M. Jefferson Fellow, *Nadim Imrit, UMIST '01*; Frederic R. Leach Fellow, *Eva Oberschlick, South Florida*; George L. Bergen Fellow, *Flor L. Penuelas, Texas-Pan Am '00*; Daniel V. Duff Fellow, *Chad Swing, Brigham Young '00*; Robert S. Douglas Fellow, *Sue Ellen Taylor, Mississippi '00*; William O. Tremaine Fellow, *E. Danielle Wiggins, Wesleyan College '00*.

The Academy focuses on the concepts, skills, and values leaders need to be effective in their roles as business leaders. The program focuses primarily on the individual rather than the organization. Interactive large group sessions are complemented by small group discussions led by Alpha Kappa Psi alumni and successful business leaders.

All-A.K.Psi  
*academic team*

The All-A.K.Psi Academic Team recognizes those members who maintain excellence in academic standing while making positive contributions to their chapter, campus and community. The selection process measures an applicant's ability to balance the pursuit of a degree with the development of leadership skills, interactive extracurricular participation, and a sense of social responsibility. Candidates needed to have junior or senior full-time student status and a grade point average of 3.5 (on a 4.0 system) or higher. In all, 65 students were recognized with team honors and two were selected as the "Top Scholars." There was no limit to how many students could be on the All-AKPsi Academic Team. From among the remarkable applicants, Kendra Speed, a member of the Kappa Upsilon Chapter at South Carolina State University, and Sylvia Perek, a member of the Epsilon Nu Chapter at the University of Puget Sound, were named as this year's Top Scholars. Each received an educational grant from the Foundation.

# life members

IN 1999, THE ORLANDO CONVENTION unanimously voted to move the Life Membership program from the Alpha Kappa Psi Fraternity to the Alpha Kappa Psi Foundation. The Fraternity continued to issue Life Memberships until June 30, 2000. While the program was discontinued under the Fraternity, all existing Life Members were grandfathered and continue to receive the magazine and other benefits associated with the program.

Today, Life Membership is a giving level through the Alpha Kappa Psi Foundation. Once an alumnus reaches the \$500 level in cumulative contributions, he or she receives the traditional Life Membership pin, certificate and card, and a lifetime subscription to *The Diary of Alpha Kappa Psi*.

The Foundation welcomes the following Life Members who now join the ranks of more than 20,000 brothers who have become Life Members since the program was first instituted:
