ALPHA KAPPA PSI FOUNDATION

ANNUAL REPORT

THE FRATERNITY'S VISION for the future is clear: *Alpha Kappa Psi is recognized as the premier developer of principled business leaders.* Through its partnership with alumni, students and friends, the Alpha Kappa Psi Foundation plays a vital role in helping make this vision a reality.

In 2004-05, the Alpha Kappa Psi Foundation impacted the lives of more than 170 of our future business leaders through scholarships as well as leadership development and recognition opportunities. These programs are aligned to effectively support the strategic vision and continued growth of Alpha Kappa Psi Fraternity as a whole. That level of success will be demonstrated again in 2005-06.

I am honored to serve as your Foundation Chairman and working with the board members has been a gratifying experience. The Alpha Kappa Psi Foundation is blessed with great stewards and committed individuals willing to give their time,

talents and treasure to help ensure Alpha Kappa Psi's excellence.

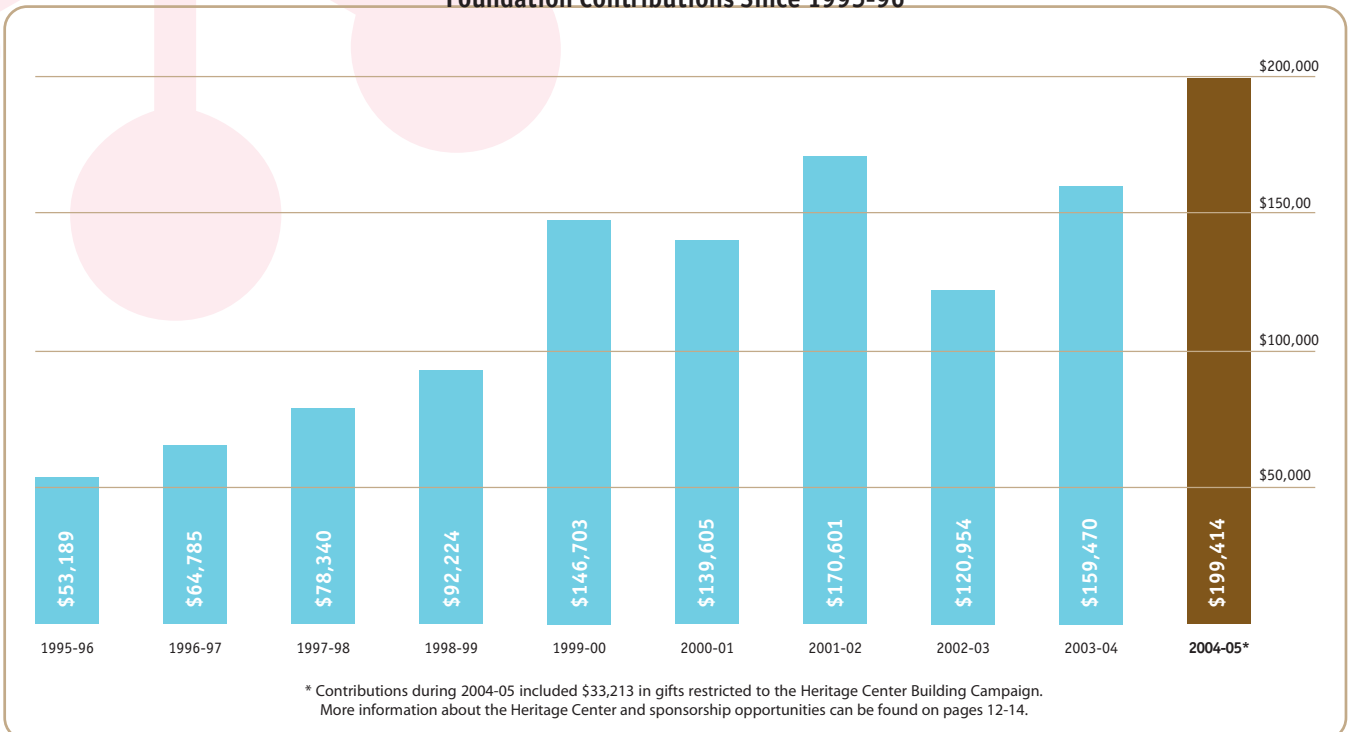

It is you — the alumni, students and friends of Alpha Kappa Psi — who have been generous with financial support. You provided resources to award a record number of scholarships to deserving students and to maintain and strengthen programming in a tight

budget year. On behalf of those students who were direct beneficiaries of your generosity, I want to personally thank you for your loyal support.

Cynthia A. Wehmeyer, *Saint Louis '82-Life*
Foundation Chairman

P.S.: With this report there is an enclosed gift envelope. Please show your support today and reserve your place in next year's 2005-06 Annual Report.

IN JANUARY, the Alpha Kappa Psi Foundation announced the members of the 2004-05 All-AKPsi Academic Team. In all, 123 students were recognized with team honors. The previous team record was 94, which was set in 2002-03.

The All-AKPsi Academic Team recognizes those members who maintain excellence in academic standing while making positive contributions to their chapter, campus and community. Candidates needed to have junior or senior full-time status and a grade point average of 3.5 (on a 4.0 system) or higher.

There was no limit to how many students could be named to the team. From among the remarkable applicants, four received "Team Captain" honors and were presented with educational grants from the Foundation.

This was the fifth year the Foundation sponsored the All-AKPsi Academic Team. A complete roster of all team members is listed below:

THE FOUNDATION held its fifth annual Academy, June 25-28, in Morgantown, Ind. From those who completed the application process, 20 students were selected to participate in the dynamic leadership education program.

The Academy takes a bold approach to value-oriented leadership development. Specifically, it is an intimate, hands-on, challenging learning experience designed especially for those students who demonstrate outstanding leadership potential.

The Academy is based on the contemporary concepts contained in the business best seller *The Leadership Challenge* and focuses on the practices and commitments of exemplary leaders. A limited enrollment and a private retreat location ensured that the experience was highly personal. Interactive group sessions were complemented by small group discussions led by AKPsi facilitators.

Through corporate support from Enterprise Rent-a-Car, a generous grant from Dan (Michigan State '89-Life) and Sara Roselli, and other alumni contributions, the Foundation covered all expenses for those participating in the four-day experience.

Matched gifts

MANY EMPLOYERS will match gifts made by employees and/or their spouses to qualifying Internal Revenue Code 510(c)(3) organizations such as the Alpha Kappa Psi Foundation. Some employers will match retired employees' gifts as well as planned gifts.

The Alpha Kappa Psi Foundation thanks the following donors and the corporations, chapters and foundations which matched their gifts during the course of the 2004-05 campaign.

General scholarships

MORE THAN \$6,000 was granted by the Alpha Kappa Psi Foundation as general scholarships for the 2005-06 academic year.

These 14 grants were made available to undergraduate and graduate members who demonstrated outstanding character-in-action, commitment to the ideals of Alpha Kappa Psi, and leadership in their communities.

The scholarships were funded through endowments established by alumni members, or created in honor of alumni members. Through an endowment, a gift is invested and only its interest income is used to support the annual scholarship. The donor may name the endowment and fund it with an outright gift of cash, appreciated securities or through a bequest in the donor's will. To successfully endow a scholarship, the Foundation suggests a gift valued at a minimum of \$25,000. This level may be met either in a single gift or in smaller amounts over a designated period of time.

Chapter sholarships

THE FOUNDATION manages scholarship endowments for the benefit of select Alpha Kappa Psi chapters. These funds — established by the chapters themselves with the help of alumni, family, and friends — produce scholarships on an annual basis. These endowments were funded through single gifts or smaller amounts over a designated period of time.

Through an endowment, a gift is invested and its interest income is used to support annual scholarships for members of the chapter.

Heritage Center Building Campaign ●●●

THE NEW ALPHA KAPPA PSI Heritage Center serves as the headquarters for both the Alpha Kappa Psi Fraternity and the Alpha Kappa Psi Foundation. The offices of both corporations moved to the new facility in April, 2005, and the building was formally dedicated the following June.

Through the Heritage Center Building Campaign, donors made tax-deductible contributions in support of the educational uses of the facility. More information on the building and sponsorship opportunities can be found on pages 12-14. The following alumni, friends, chapters and corporations showed their support during the 2004-05 fiscal year:

Clifford Spangler Society

THE CLIFFORD SPANGLER SOCIETY honors those alumni and friends of Alpha Kappa Psi who made provisions for future generations of business leaders through will bequests, life insurance, trusts or other planned gifts.

Leadership opportunities, scholarships, awards and other educational programs are provided for through such gifts. The Spangler Society acknowledges with grateful appreciation those who have chosen to make these commitments to the future.

The following members have indicated that their estate plans include a bequest to the Alpha Kappa Psi Foundation:

Upon Brother Spangler's death, the Alpha Kappa Psi Foundation received half of his sizable estate. His gift of more than \$100,000 was the foundation of several scholarships and awards and continues to support ongoing programs of the Foundation.
